

A side-profile view of an Iberia Boeing 767-300ER aircraft in flight against a clear blue sky. The aircraft is white with dark blue and gold stripes running along the fuselage and across the vertical stabilizer. The registration "EC-151" is visible on the rear fuselage. The aircraft is shown from a low angle, with its landing gear deployed. The word "PRESTIGE" is visible on the nose fuselage. The tail fin features the Iberia logo and stripes. The wings are swept back, and the engines are mounted under the wings. The overall image is sharp and clear.
